

Report on International Study Tour to Surat trip

19.12.2025

For the academic session 2025-26, 32 students and 3 faculty members of Sardar Vallabhbhai Patel International School of Textiles and Management (SVPISM) participated in a study tour to Surat, India. The immersive learning experience provided students with valuable insights into Surat's textile and apparel industry, cultural heritage, and economic significance. During the study tour to Surat, from 19.12.2025 to 27.12.2025, the students explored Surat's bustling textile markets, visited

MANTRA , and admired the architectural beauty of Surat Castle. They also experienced the vibrant lifestyle of the city's textile hubs. The academic highlight of the tour included a visit to a leading geo textile manufacturing unit, where students learned about advanced weaving processes and industry trends, and participation in a textile trade expo. The study tour fostered both academic and cultural enrichment, enhancing students' global perspective on the textile industry.

Report on International Study Tour to Vietnam

03.03.2025

For the academic session 2024-25, 35 students and 4 faculty members of Sardar Vallabhbhai Patel International School of Textile and Management (SVPISM) participated in a study tour to Vietnam. The immersive learning experience provided students with valuable insights into Vietnam's textile and apparel industry, cultural heritage, and historical significance. During the study tour to Vietnam, from 25.02.2025 to 01.03.2025, the students explored Ho Chi Minh City's vibrant urban landscape, visited the historic Cu Chi Tunnels, and admired the architectural beauty of the Central Post Office. They also experienced the natural charm of the Mekong Delta, gaining an understanding of rural Vietnamese life. The academic highlight of the tour included a visit to PPJ Group International Company, where students learned about manufacturing processes and industry trends, and participation in the VIATT Fair, which showcased the latest innovations in textiles and apparel. The study tour fostered both academic and cultural enrichment, enhancing students' global perspective on the apparel industry.
